To

The Chief Wild Life Warden
of all States/UTs

Sir,

The Hon'ble Minister of State for Welfare has drawn the attention of the Central Zoo Authority that common animals/ birds like peacocks are being kept in many of the zoos. She has emphasized the need for releasing these animals in their natural surroundings. You are, therefore, requested to issue suitable instructions to all the zoos in your State to release animals like peacocks, love birds, mongoos, grass snake etc. in free living conditions. It will be appreciated if care is taken to ensure that these animals are released in areas where they can survive on their own and that too after due screening for zoonotic diseases.

Yours faithfully,

27/7/2K.
