CIRCULAR

To

Director/Curator/Incharge
of Large, Medium and Small Zoos

Sub:- Design of animals enclosure.

Sir,

It has been observed that the zoos while submitting designs for proposals with respect to Construction of animal's enclosures do not indicate the area of the enclosure/ paddock area (exhibit area). The contour levels are also not indicated. In absence of these details, it becomes very difficult for the design committee to appraise such designs.

In view of the above, you are requested to please ensure that blue prints of enclosure design show contour levels and the total area in Sq. meters of the outdoor paddock area.

Yours faithfully,

(P.R.SINHA)
